Aura Gold

...with the new Perfect Fit™ Roller Blind

The new Perfect Fit™ roller blind system creates precise reliable fingertip light control, effortlessly. With its new, easy to operate, locking bottom bar the Perfect Fit™ roller blind provides exciting opportunities where other blinds simply will not fit.

With the simplicity of the design and operation at the heart of its creation the new Perfect Fit™ roller blind offers a boundless choice of colour and designs. Available initially with white and brown profiles, Perfect Fit™ roller blinds will offer your customers the co-ordination of colour and design that they demand.

- Simple to operate locking system for perfect light control
- Easier and quicker to install
- Child safe with no loose cords
- Available NOW!

Offer your customers the latest developments in Perfect Fit™ Roller blind systems by calling Louvolite® Customer Services today.
